Clerks Report: The clerk's report was approved.

Treasurer's Report: The treasurer's report was presented. The report stands as presented.

Fire department: Jeff peck reported the fire departemtn has an offer of \$5,000 for the old pumper truck. Discussion followed. A Moiton was made by Jim Schumann to sell the truck for the \$5,000 price. Seconded by Brian Halvorson. The motion carried.

The mutual aid contract with the Dover Fire Department was presented. slight changes to the document were made to update to current legal wording. The City of Eyota's attorney apparently recommended Eyota Township be removed as a party to the document citing the township was not an owner of the fire department. Given the township owns multiple pieces of equipment the board disagreed with the attorney's statement. Jeff will bring the final document for signatures from the township.

The pile of junk being complied at the farmstead in the 900 block of 30th St. SE was discussed. Mr. Schumann reported he has not heard back from the county regarding this matter. The board encouraged him to be more assertive in addressing this issue.

Bills totaling \$2049.19 were approved and paid.

Respectfully Submitted

Daniel E. O'Neill
Acting Clerk
